

GENERAL INFORMATION

VENUE

University of Duisburg-Essen
Universitätsstraße 2
Gebäude S 04
45141 Essen

WEBSITE

www.dgbm-kongress.de

DATE

14 September 2022 | Workshop with surgery presentation
15-17 September 2022 | Conference

ORGANISER

German Society for Biomaterials
(Deutsche Gesellschaft für Biomaterialien (DGBM) e. V.)

CONFERENCE CHAIR

Prof. Dr. Matthias Epple | University of Duisburg-Essen

CONFERENCE CO-CHAIRS

Prof. Dr. Stephan Barcikowski | University of Duisburg-Essen
Dr. Jochen Salber | Ruhr University Bochum
Prof. Dr. Karsten Seidl | University of Duisburg-Essen,
Fraunhofer Institute for Microelectronic Circuits and Systems

SCIENTIFIC ADVISORY COMMITTEE

Jun.-Prof. Dr. Anzhela Galstyan | Dr. Christoph Rehbock
Prof. Dr. Bernd Giebel | Prof. Dr. Alexander Schramm
PD Dr. Mortimer Gierthmühlen | Dr. Christina Sengstock
Prof. Dr. Sebastian Kruss | Prof. Dr. Astrid M. Westendorf

REGISTRATION FEES

The registration fees will be published at the beginning of May 2022.

INDUSTRIAL EXHIBITION

Interested companies are invited to request information about the exhibition from Conventus.

CALL FOR ABSTRACTS

WELCOME NOTE

Dear colleagues and friends,

It is a pleasure and an honor for us to invite you to the Annual Meeting of the German Society for Biomaterials in September 2022 in the city of Essen.

As the pandemic has seriously constrained face-to-face meetings in the last 20 months, we look forward to lively discussions, exciting lectures, well-designed posters, and – last but not least – an entertaining social program for all biomaterial scientists.

The conference will take place at the University of Duisburg-Essen on the Campus Essen, close to Essen downtown. As a special feature, we will offer the participation at a workshop with surgery presentation at the University Hospital Bochum (site: UK Knappschaftskrankenhaus Bochum-Langendreer). The conference language will be English; therefore, we also invite international visitors to attend the conference and to present their most recent results.

We look forward to meeting you in Essen in 2022.

Prof. Dr. Matthias Epple
Conference chair

Prof. Dr. Stephan Barcikowski
Dr. Jochen Salber
Prof. Dr. Karsten Seidl
Conference Co-chairs

ABSTRACT SUBMISSION

You are invited to submit your abstracts regarding the topics listed below. The submission can be done online at www.dgbm-kongress.de.

The conference language is English. Please submit your abstracts in English only.

TOPICS

- 3D-Bioprinting
- Antimicrobial Strategies
- Biobased Biomaterials
- Cell-Materials-Interaction
- Immunomodulation
- Implants
- Nanobio-Materials
- Regenerative Medicine
- Transfection & Targeting
- Translation
- Free Topics

DEADLINE FOR ABSTRACTS: 15 MAY 2022

KEYNOTE SPEAKER

“Regenerative medicine – current concepts and changing trends”
Antony Atala, Wake Forest Institute for Regenerative Medicine
(Winston-Salem, NC/US)

“Biomaterial matrices in bone tissue engineering”
Maria Chatzinikolaidou, University of Crete (Heraklion, GR)

“Periprosthetic joint infections – the orthopaedic surgeon’s perspective”
Mustafa Citak, Helios ENDO-Klinik Hamburg (Hamburg, DE)

„High-resolution 3D printing – challenges and opportunities for biomedical applications”
Aleksandr Ovsianikov, TU Wien (Vienna, AT)

Peter Reimer, CEO Heraeus Medical Components
(Minneapolis, MN/US)
